Abstract: What does it take to be a teacher that stands out in the minds of students and their families? Engagement! As a beginning teacher, you are building the foundation of your career and cultivating the parent perception of your teaching mantra that will be passed on for years to come. As the 2018 North Carolina Region 1 Teacher of the Year, I am excited to share practical and effective strategies that help foster parent involvement and promote active learning in your classroom. Join this session to dive into organization, technology, differentiation, and assessment techniques!
