**Title:** 16 Teaching Hacks

**Presenter:** Terri DeCresie

**Focus Area:** Student Engagement

**Other Area:**

**Audience:** 6-8

**Abstract:** Whether it's a cleaning hack or an organizing hack, hacks are a great way to show you how to use what you have to accomplish a basic need. In this presentation, teachers will learn a few teaching hacks which will allow them to use their available resources to increase student engagement. Hacks will focus on questions, cues, and organizers that will help teachers guide students from the unknown to the known. Participants will receive a flash drive of resources. Let's get hacking!

**Presentation Addresses the Following Categories of Instructional Strategies that Affect Student Achievement**

*Identifying similarities and differences*

*Summarizing and note taking*

Yes *Questions, cues, and advance organizers*

*Setting objectives and providing feedback*

*Reinforcing effort and providing recognition*

*Cooperative learning*

*Homework and practice*
